

# BRANDED AND EXILED

## Branded And Exiled

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Red hot iron heated by living coal  
Ready for branding to strike his goal  
The torrid cast iron marks the leather  
To banish the renegade from now on forever

Many relocated all across the land  
Together we've got the power in our hands  
We're strong enough to fight mendacious laws  
We've got the wrath, 'cause we are  
    Branded & exiled  
Together we can stand the night

Rabbits would sink into the morass of injustice  
They try to deliver it from the deep black abyss  
Our shell of wrath explodes, they're winding like an ill  
That day we're ready to make those bastards kneel

Many relocated all across the land  
Together we've got the power in our hands  
We're strong enough to fight mendacious laws  
We've got the wrath, 'cause we are  
    Branded & exiled  
Together we can stand the night

## **Gods Of Iron**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Shrill screaming sirens are calling  
The branded victims to death  
A sacrifice to the gods of iron  
Everybody is joining the mass  
The blinded multitude is screaming  
The defenseless victim is killed  
Pools of blood are screaming  
The tribute to the gods is fulfilled

Slavery to all are rebellious  
It's a venture if you resist  
Hu, challenged rulers of the universe  
All under their merciless fist  
But fight them as long as you can  
Or they hunt you until you are dead  
But stand up and fight for freedom  
So free the slaves from all dread

Detain and destroy the gods of iron  
Fight them before it's too late  
Guard yourself from their defying  
Stand up and don't hesitate

Shrill screaming sirens are calling  
The branded victims to death  
A sacrifice to the gods of iron  
Everybody is joining the mass  
The blinded multitude is screaming  
The defenseless victim is killed  
Pools of blood are screaming  
The tribute to the gods is fulfilled

Detain and destroy the gods of iron  
Fight them before it's too late  
Guard yourself from their defying  
Stand up and don't hesitate

## **Realm Of Shades**

*Music: Rolf Kasperek, Stephan Boriss  
Lyrics: Rolf Kasperek*

The night when you hear the call  
From the realm of shades  
You see the reaper face to face  
Your mind is fading and your breath is going away  
You feel free from every sway

No gods can hold you  
In eternity  
No rulers command  
The shadows are free

Realm of shades, the land of the damned  
Realm of shades, it will always expand  
Realm of shades, the empire of the night  
Realm of shades, breading its might

The empire of delivered souls arises in the dark  
The realm where everyone has got the mark  
Living free with no rules and laws the host of the wise  
We bored of whole world's lies

No gods can hold you  
In eternity  
No rulers command  
The shadows are free

Realm of shades, the land of the damned  
Realm of shades, it will always expand  
Realm of shades, the empire of the night  
Realm of shades, breading its might

## **Mordor**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

In the centre of the empire of darkness  
Black fortress stands might and proud  
The shelter for the traced and tortured  
For the one who's damned  
A dragon is watching for fortress  
Black knights are controlling the land  
To save their proteges from torment  
They fight to defend

Rancour, against all raiders  
Beware, if you're renegade's hunter  
Watch out in slough's haze  
Vigilance, 'cause death waits  
Recourse, to the traced  
Be calm, they'll give you shelter  
Restless, they fight for freedom  
Never, they don't let you fall

### Mordor

A shoal of the knights of torture  
Are hunting a witch to the dell  
Sullen shades are raiding their squad  
Church's minions fell  
A black knight leads through the mire  
And in mordor she finds a new life  
A life without pain and torment  
No murder, no lies

Rancour, against all raiders  
Beware, if you're renegade's hunter  
Watch out in slough's haze  
Vigilance, 'cause death waits  
Recourse, to the traced  
Be calm, they'll give you shelter  
Restless, they fight for freedom  
Never, they don't let you fall

## **Fight The Oppression**

*Music: Rolf Kasperek  
Lyrics: Rolf Kasperek*

Atomic warheads, weapons of all kind  
Invented to destroy, to find their victims, to grind  
Mendacious rulers, ministers of defence  
Leading you to war, can't you see where it all ends

Total destruction, adversary's death  
Contamination, epidemics, and fear  
Bloodshed goes on till the very last breath  
No remedy if blood feeds the gear  
Fight the oppression, now  
Fight the oppression, down

Megalomania, ruler's disease  
Deceit and treason, your life is what they seize  
All liberty is dying, to reign is the sense  
Leading you to war, can't you see where it all ends

Total destruction, adversary's death  
Contamination, epidemics, and fear  
Bloodshed goes on till the very last breath  
No remedy if blood feeds the gear  
Fight the oppression, now  
Fight the oppression, down

## **Evil Spirit**

*Music: Stephan Boriss  
Lyrics: Stephan Boriss*

A wrinkled gnome sat on the yard  
On this sailing vessel he was the guard  
He may brought safety, or he may brought dread  
If he was treated well, or if he was treated bad

Guardian, evil spirit  
Tormentor, evil spirit

He watched the blade and his anger grew  
'Cause for his own wealth he skinned hard their crew  
Money and fame were his conviction  
Violence and force were his religion

Guardian, evil spirit  
Tormentor, evil spirit

The reef appeared too fast for him  
He tried to duck but wind refreshed  
The yard came down, the gnome was gone  
The blade was dead, justice had won

Guardian, evil spirit  
Tormentor, evil spirit

## Marching To Die

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Rabid war dogs are marching  
Through the empty streets  
Killing, laying waste  
And spreading their leader's seed  
Seduced by his lies and slanders  
Which are pounding in their brain  
The malediction of being used  
To realize his magic aim

Marching to die  
On their lips the battle cry  
Marching to die  
They don't ask the reasons why  
Marching to die

Groundless they start a holocaust  
The whole world through  
They heel jews, turks and gypsies  
And maybe you too  
Fight against those new leaders  
Prevent this dreadful war  
We don't want this holocaust  
So choke every spor

Marching to die  
On their lips the battle cry  
Marching to die  
They don't ask the reasons why  
Marching to die

## **Chains & Leather**

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

As the day has gone and the heat has come  
Head banger's war tonight  
Screaming metal unleashed for the battle

Makes them feel alright  
Sweat and beer, devilish cheer  
Glaring flashlights  
Chains and leather will live forever  
The band begins its fight

We are right praying metal tonight  
The message from hell and its spell  
Even Satan wears leather, our souls to it forever  
So let us pray our rules tonight  
Chains & leather  
Chains & leather  
Chains & leather and rivets  
Chains & leather  
Chains & leather  
Chains & leather forever

All hell breaks loose and you have to choose  
If you stay or go  
Heaps are banging, chains are glanging  
From the first to the last row  
Praying their rules, having their booze  
Thunder and aggression  
Stunning the crowd, devilish loud  
Our possession

We are right praying metal tonight  
The message from hell and its spell  
Even Satan wears leather, our souls to it forever  
So let us pray our rules tonight  
Chains & leather  
Chains & leather  
Chains & leather and rivets  
Chains & leather  
Chains & leather  
Chains & leather forever
