## Fall Of Dorkas

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Creation of the guardian, the force of dark and light  
Two souls to rule the elements to fight a constant fight  
One soul to save the light, one soul to serve the dark  
Rivals to eternity, the saviour and the shark

The gods will fight, the titans clash in time and galaxies  
The serpent and its tamer a fight so endlessly  
Falling, fate is calling, the liar, tamed in fire

The fall of Dorkas, the curse of selfish pride  
Reign of darkness, condemned to fear the light  
Heart of blackness caught in eternal hate  
Armageddon fullfills the longawaited fate

Dorkas as the chancellor, a charlatan supreme  
A godforsaken liar, intrigue, sly and mean  
He made his bid for power, dropping down his mask  
The uncrowned king of failures, Walloron kicked his ass

| Pre  
| Chorus  
| Leadbreak Rolf

3.7 billion years, Armageddon's here  
Madness shakes the underworld, they are lost in fear  
The fire of catastrophe opens up the gate  
Evil souls will drown in hell and Dorkas' soul will fade

| Pre  
| Chorus

## When Time Runs Out

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Now! The age of falling  
The final hours of the world we see  
Here! Fate is calling  
The horror of a longtold prophecy

Time! Is running short now  
To find out if mankind's fit to learn  
Down! Soul-destruction  
If pride is blind and stuns the will to turn

The final hours, the final night  
The final trial if you'll stand the light

When time runs out  
When the sky comes down  
When the ball will burst  
When it shakes the ground down to the core

War! The bombs are falling  
Brother kills thy brother endlessly  
Death! Massive destruction  
A mess of blood that stains the boiling sea

| Pre  
| Chorus  
| Leadbreak Rolf

Trapped! A poisoned world view  
That is so blind that it will never make you see  
Feel! Trust in yourself  
And universal truth will hit you finally

| Pre  
| Chorus

Nightgliders, fighting back the gods of Mars

Burning their lair down to the ground

## Into The Fire

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Here comes the finale, time to pay your dues  
A law without mercy, you have to take the truth  
No worldly powers could force the fate  
Universal judgement of the highest grade

Time's right to find out if you're wrong or right  
Time is running short now, beware the law will strike  
Evil souls are fading in the flames  
No more lies and no more games

Into the fire  
Blackened hearts will burn  
Into the fire  
The flames of no return

Drop all your blindness and your soul could last  
Being proud and headstrong means you'll dying fast  
Drowning in the fires your sad and final price  
Melting in the pyre to burn away your lies

| Pre

The true and final judgement is about to come  
They are judge and jury, they are all in one  
Deviding good from evil, deviding truth from lie  
A case of survival or a "Go to hell and die!"

| Pre  
| Chorus

## Revolution

*Music: John Lennon  
Lyrics: Paul McCartney*

You say you want a revolution  
Well you know  
We all want to change the world  
You tell me that it's evilution  
Well you know  
We all want to change the world  
But when you talk about destruction  
Don't you know you can count me out  
Don't you know it's gonna be alright  
Alright Alright

| Leabreak Rolf

You say you got a real solution  
Well you know  
We'd all love to see the plan  
You ask me for a contribution  
Well you know  
We're doing what we can  
But if you want money for people with minds that hate  
All I can tell you is brother you have to wait  
Don't you know it's gonna be alright  
Alright Alright

| Leadbreak Thilo

You say you'll change the constitution  
Well you know  
We all love to change your head  
You tell me it's the institution  
Well you know  
You better free your mind instead  
But if you go carrying pictures of Chairman Mao  
You ain't going to make it with anyone anyhow  
Don't you know it's gonna be alright  
Alright Alright

| Leadbreak Thilo

### Tsar

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

At the day of his coronation  
He sank down in deepest despair  
Hundreds of russians were dying  
By rapture, the sun and its glare

After several years of waiting  
He came, the heir to the throne  
Their son was born as a bleeder  
His parents so sad and alone

The tsarina felt what was coming  
A vision that darkened her soul  
The tsar was given a warning  
Intrigues so darkened and cold

Destiny called, the empire fell  
The two-headed eagle that died  
Bullets of hate were erasing their lifes  
No prayer and nobody cried

| Leadbreak Rolf

In their darkest hour the "staretz" appeared  
He saved Aleksej from death  
Rasputins' power, a dissolate life  
Sentenced to take his last breath

The world was on war, drowning in flames  
Gasbombs, horror and death

| Leadbreak Thilo

The reds brought on revolution  
He decided to take his discharge  
But they placed him under detention  
The red star, its idols should march  
The Romanows took up their cross  
The desaster was to foresee  
On the 16th July 1918  
They were slaughtered, a whole dynasty

| Pre  
| Chorus

## The Hussar

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Mordant wall of smoke, barrels glow, shot their load  
Gunfire takes your breath, balls of lead causing death  
Thunderstorm breaks loose, the slaughter's on, life's on the loose  
Sounding the attack, soldiers fall, back to back

The roaring horde is near, pounding hooves, mortal fear  
The soldiers bravely stand, they try hard to defend

Till the end!

Riding the attack  
Yelling screams of the fallen  
Thunder, blood and pain  
Madness reigns, hell is calling now

Thunder shakes the ground, a deadly force, pound by pound  
Frightened, nerves are blank, horseman ride, hit the flank  
Cold sweat down their neck, death will ride one last attack  
Fearsome battle cry, flashing guns, soldiers die

Tell me why!

| Chorus  
| Leadbreak Rolf

Horror, death and pain, the devil smiles, so what's the gain?  
Stretching out his claw to feed his laughing greedy jaw

Greedy jaw!

| Chorus

## The Guardian

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

Before the darkness, before the light  
The guardians' soul stood the sands of time  
He ruled the void, he ruled the dark  
All came to birth, the holy spark

Watch out, be strong, choose! when the war is on  
Watch out, time's long, until all evil is gone

Rise or fall, standing proud or losing all  
Die or live, destruction takes and freedom gives

He watches dark, he watches light  
Two souls to proof, wrong or right  
A constant fight, a war foretold  
A settled plan, what future holds

| Pre  
| Chorus  
| Leadbreak Rolf

The final plan, the final fight  
Casting out, dark or light  
The lie will fall, truth will stand  
The serpent dies by its own hand

| Pre  
| Chorus  
| Twinsolo Rolf

## Return Of The Gods

*Music: Thilo Herrmann, Rolf Kasperek*  
*Lyrics: Thilo Herrmann, Rolf Kasperek*

Ruling the stars, invisible watchers  
Since the beginning of time  
A mighty weapon, the cosmical gender  
Defending the truth and its sign

The falling of stars, the pain of its children  
It's time for the gods to return  
Hunting the serpent, erasing its madness  
The structure of evil to burn

Holy laws to set their course  
Wings of steel, a force so real

The final fight, the force of light  
The fiend to ban, to rule again

The gods will return, all evil to burn  
Striking the underworlds' lair  
To take back their crown, the terror to drown  
Sons of the sun in its glare

The gods will return, the evil will learn  
Persistence is ruling their fight  
The evil's on flame, erasing its name  
They are standing in pride with their shimmering armor of light

| Leadbreak Thilo  
| Chorus  
| Leadbreak Thilo

## Silent Killer

*Music: Rolf Kasperek*  
*Lyrics: Rolf Kasperek*

Did you ever see shoes are lying in the streets?  
Brand new clothing, a pilgrim with no deeds? No way!

Did you ever think, who would throw it away?  
A case of confusion? Madness on its way?

Silence, dead of the night  
Killers, lurking behind

Darkness falls, the serpent strikes  
A secret calls in the mask of the night

Why should it happen a hundred times a year?  
A secret behind that should rouse our fear?

| Pre  
| Chorus  
| Leadbreak Rolf

Millions of people disappearing year by year  
Leaving no trace or did they just go out of here?  
Long told stories tell a blackened man awaits  
Minotaurs meal, through bones and blood he wades

| Pre  
| Chorus

## Victory

*Music: Rolf Kasperek*

*Lyrics: Rolf Kasperek*

The gods of past and future, returning from the sky  
Defenders of the holy, they are soaring on high  
All slaves of evils' kingdom, dropping down like flies  
The final raging battle that's when the evil dies

The poison of illusion, the world falls asleep  
The evil reigns its kingdom by cunning and deceit  
The force of seduction, chaos in the game  
Man is trapped in blindness, praising Dorkas' name

Darkness falls and light will rise  
The force of judgement finally strikes

Victory

Selfdestructive mankind's like wax in his hands  
War and plain destruction are fit to set an end  
A vulnerable system to serve the evil's way  
Raising all its madness until the final day

| Pre  
| Chorus

Terror reigns in the prophecy  
"Babylon" will fall, so plain to foresee  
A nightmare rules the mirage of gold  
Slipping to damnation by trying to hold

| Leadbreak Rolf

The rivalry is dying, the longawaited end  
Destruction of all evil, no power could defend  
Dorkas' crown is falling, he's melting down in pain  
His kingdom falls to pieces, dying in the flame

| Pre  
| Chorus
